

## **Changes to ASC's Privacy Policy**

We believe it is important that we are transparent about the changes we make to our privacy policy. This document serves to specify the amendments made to the existing policy, which are as follows:

- To bring us in line with many UK charities, our privacy policy now allows ASC to use supporter data when interacting with Facebook and other third-party platforms.
- We have amended the wording around the lawful basis for using your data in an effort to make it clearer and more transparent.
- We have amended the wording around data sharing, security and opt-outs to make sure this is clearly explained to our supporters.

These changes take effect as of 27<sup>th</sup> November 2025.
