

## Challenge Events: Terms & Conditions

As a small charity, our fundraisers are invaluable to us and we are very grateful to all those who register to participate in a fundraising event for us, whether that's a 5km park run or an ultramarathon!

We understand that sometimes circumstances change that are beyond our control, and we will always try to work with our challenge event fundraisers to find a solution if you can't participate in the event that you have registered for.

Here we outline our T's & C's, which fundraisers should be aware of when registering for an event through our Run for Charity event hub.

### Withdrawing from an event

- When you register for an event, make a note of the withdrawal deadline.
- If you notify us that you wish to withdraw from an event before the withdrawal deadline, you will not be charged for your place.
- If you notify us that you wish to withdraw after the withdrawal deadline, we reserve the right to request you pay the registration fee to the charity.

### Fundraising target

- When you register for an event, we ask you to commit to meet a fundraising goal.
- By registering for the event, you are agreeing to at least meet your fundraising target.
- If the charity has paid for your place and you do not meet your fundraising target, we retain the right to ask you to donate the registration fee to us.
